Agenda

After a brief hiatus, we are reviving the Jails Taskforce Meetings! We hope you can join us as we re-focus the taskforce on coming together to improve conditions at the LA County Jails. Please join as we discuss the current state of Men's Central Jail and ongoing actions and organizing to address conditions there. We will also discuss what the high costs of phone rates/collect calls and other jail issues.

We will also have updates on jail litigation and opportunities to network and share resources.
